

Recliners

39 Power Rocker Recliner with Power Headrest

This Palliser style features an innovative way to customize your comfort. The power headrest adjusts smoothly to support your head and gently guide you into a comfortable position as you recline.

This excellent functionality is available on all SKUs and is operated by a brushed metal switch. The switch operates two functions, the power headrest and the power recline.

The switch also offers USB charging for all mobile devices.
